RE: Addendum to September 22, 2011, Residential Rate Comparability Certification for Wyoming's Non-Rural Incumbent Local Exchange Carrier Serving in Rural Areas within Wyoming Pursuant to 47 C.F.R. § 54.316 (CC Docket No. 96-45)

Via Electronic Filing

Dear Secretary Dortch and Ms. Majcher:

On September 22, 2011, the Wyoming Public Service Commission (WyPSC) submitted its annual residential rate comparability certification pursuant to 47 C.F.R. § 54.316, to the Federal Communications Commission (FCC) and the Universal Service Administrative Company (USAC).

On October 3, 2011, we received an email from Ms. Christina Cunningham at USAC indicating USAC has reviewed the support calculations for additive support to Wyoming based on rate comparability for 2012. Ms. Cunningham indicated support has been recalculated for the additional amounts to update the previously incorrect Federal Share, originally calculated with 75% instead of 76%. Ms. Cunningham provided USAC's recalculation and asked the WyPSC to adjust or add an addendum to the September 22, 2011, letter to reflect the proper support amounts and resubmit it to USAC to help USAC document the additional support, so that USAC may be able to present the findings to the FCC.

We concur with USAC's calculation of additional support as follows:

	Base Rate Area	Zone 1	Zone 2	Zone 3	Total
Comparability Shortfall	\$0.00	\$7.48	\$7.60	\$7.85	
Number of Lines		8,963	8,542	15,567	33,072
((Number of Lines *Comparability Shortfall)*12)*.76 Federal Share = COMPARABILITY SHORTFALL	\$0.00	\$ 611,434.35	\$ 592,063.10	\$ 1,114,472.66	\$2,317,970.11

Sincerely,

Chris Petrie
